### **Leeds City Region and WYLLN Relationship**

- 1.1. The paper attached provides a brief background to the Leeds City Region (LCR) and it identifies some of the broad issues that will influence the development of its Skills Strategy. The paper goes on to identify the work that WYLLN is currently carrying out and that fits with the LCR's agenda. Finally it suggests further work which could be undertaken by the partnership to further support the work of the LCR.
- 1.2. There is a potential role for WYLLN in providing a communication channel and co-ordinating future developments with the LCR on behalf of its FE and HE partners. The Board is asked to reflect on the content of the paper and comment on the potential role for WYLLN with the LCR.
