External Evaluation Response

1. Background

- 1.1. At the last Board meeting the External Evaluation was presented. It was agreed that that the External Evaluator should work with the Executive Director to correct some factual inaccuracies. This has been taken place, but to conserve paper the final version has not been presented again, but will be available on the WYLLN website following this meeting.
- 1.2. It was also agreed that the Executive Director should work with the Chair and Accountable body Board Member to prepare a response to the report addressing those areas that the report states should be considered for further development. The draft response is appended to this paper.

2. Board Action

- 2.1. The Board is asked to consider the response and agree the actions proposed.
