

WYLLN Business Services Sector **Showcase**

When: 8th December 2009

Time: 10am

Where: Leeds City College, Park Lane Campus

Over the last year and more members of WYLLN Business Services Sector Group have been working on several curriculum developments which they would like to share with you.

We would like to invite West Yorkshire Colleges to come and find out more about these developments and offer the opportunity to share and use them in their own colleges.

These are the curriculum developments we have been working on:

Foundation Degrees and BA (Hons) Top Up Degrees in Business, Retail, Logistics and Financial Services | Teaching materials for the Foundation Degree in Retail
Electronic Learning Materials/Assessments for PPD modules | Electronic HE Assessment Tracking system
Study Skills pack to support transition from Level 3 to Level 4 | A Leadership & Management Framework for Foundation Degrees

We would love you to come and join us.
