

PROMOTING THE PROGRESSION OF ADVANCED APPRENTICESHIPS INTO HIGHER EDUCATION

A series of events organised by WYLP and sponsored by West Yorkshire Lifelong Learning Network (WYLLN)

WYLP (West Yorkshire Learning Providers) is organising a series of short events to raise awareness of the opportunities for progression to higher education for Advanced Apprentices.

The events are free of charge, starting at 10.00 and finishing at lunch time, with lunch being provided.

The aims of the seminars are:

- To allow training providers to find out about the range of courses that are available to Advanced Apprentices in West Yorkshire, so that they will be better informed, so that they can provide information and guidance to their apprentices.
- To allow employers to find out about appropriate courses and the benefits of that education to their businesses.
- To hear from a number of institutions about their courses, the entry criteria and the costs.
- To understand, from former apprentices, the benefits that have resulted from studying at a higher level.
- To hear from employers about the benefits to their businesses as a result of that higher education.

The following events are planned:

Skill Area	Date
Children's Care, Learning and Development	Tuesday 23 February
Health and Social Care	Tuesday 16 March
Engineering	Tuesday 23 March
Construction	Tuesday 20 April
Information Technology	Tuesday 27 April
Hair and Beauty	Tuesday 18 May

Who should attend:

- Training provider staff who manage the skill areas
- Internal assessors in those skill areas
- Those responsible for the provision of information, advice and guidance to apprentices
- Employers of training providers' apprentices

To register your interest, please e-mail Ashfaq Gulab (ashfaq.gulab@wylp.org.uk).
