Womeninto Leadership

This joint event between UKRC* and WYLLN will give unique networking opportunities to delegates on the day.**

This half day event is for employers and others involved in the Science, Engineering, Technology and Built Environment Sectors. This is an opportunity to hear the experiences and achievements of women working in Leadership & Management in these sectors and the business benefits to organisations.

Why should you attend?

- Hear success stories from other employers
- Take away practical tips to use in your own organisation
- Benefit from unique networking opportunities

* The UK Resource Centre for Women in Science, Engineering and Technology (UKRC) provides a central point of support, information and advice for employers, industry, academia, professional institutes and research councils, and also for women entering, returning to or progressing in SET careers.

** The West Yorkshire Lifelong Learning Network is a partnership of 6th form colleges, further education colleges, higher education institutions and universities. Our aim is to strengthen the performance of West Yorkshire businesses and the wider regional economy through improved vocational and work-based progression of young people and adults into higher education.

Please return your completed form by Friday 19 June 2009 to wylln@hud.ac.uk or by post to **Rachael Brough**, Communications & Marketing Manager, WYLLN, University of Huddersfield, Queensgate, Huddersfield HD1 3DH
