The project has developed:

- ▶ a suite of interactive support tools for use with FE learners to prepare for higher education;
- ▶ a supporting programme of tutorial activities;
- ▶ a guidance pack supporting the programme and materials.

The six sets of material covering:

- 1.You and Higher Education
- 2.The Independent Learner
- 3.Time Management
- 4.Managing Information
- 5.Writing for Higher Education
- 6.Group Work

Each section has guidance notes for tutors and users, and tutorial activities. All materials are available both in hard copy and as an interactive online version.
